PARAMOUNT

Thank you for your interest in submitting claims electronically to Paramount/ProMedica Medicare Plan. While we're unable to recommend a clearinghouse, we can provide a list of clearinghouses that currently send us electronic claims. Enrollment is required for the ERA through the clearinghouse. Enrollment is not necessary for the submission of claims. Please work with your clearinghouse to send electronic claims or receive the ERA. Please contact the Paramount ECS System Coordinator with questions at PHCECShelpdesk@medmutual.com.
NOTE: The payer ID applies to all Paramount/ProMedica Medicare product lines.
