# Advanced Life Support Courses

## Advanced Provider Courses

The advanced provider courses are intended for health care providers (e.g., physicians, nurses, paramedics, respiratory therapists, pharmacists, and allied health professionals) whose daily occupation requires advanced life support proficiency.

The American Heart Association (AHA) strongly promotes knowledge and proficiency in basic life support (BLS), ACLS and PALS, and has developed instructional materials for this purpose. Use of these materials in an educational course does not represent course sponsorship by the AHA. Any fees charged for such a course, except for a portion of fees needed for AHA course materials, do not represent income to the AHA.

**To register online, visit [promedica.org/cpr](https://promedica.org/cpr). For more information, call 419-291-3053.** Please include your name, employee number, daytime phone number, and the date and time of your chosen class. Your class registration will be confirmed by email from the CPR Rescue Training Center. If there are any changes, you will be notified by email.

## Pre-course Preparation

- All class participants must register at least 48 hours in advance of their chosen class date. Anyone who is not registered in advance will not be permitted to attend the class.
- Class participants must have a current provider status in ACLS/PALS in order to register for a retraining course. If your provider status has expired, you must take a full train class.
- Participants are expected to have mastered the skills of BLS before enrolling in the ACLS or PALS courses.
- Participants must complete a pre-test before taking an ACLS or PALS course.

## Pretest Needs

Everyone must have books and materials prior to the start of class. Contact the CPR Rescue Training Center at 419-291-3053 to pick up materials at our offices located at the ProMedica Learning and Education Building (PLEB), 1724 Indian Wood Circle, in Maumee, Ohio.

## Continuing Nursing Education

ProMedica is an approved provider of continuing nursing education by the Ohio Nurses Association, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation (OBN-001-91) (OH-069, 4-1-2021).

## Continuing Medical Education

ProMedica is accredited by the Ohio State Medical Association to provide continuing medical education for physicians.

ProMedica designates this live educational activity for a maximum of 1 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Participants claiming CME credit from this activity may submit the credit hours to the American Osteopathic Association for Category 2 credit.

AAPA accepts certificates of participation for educational activities certified for *AMA PRA Category 1 Credit™* from organizations accredited by ACCME or a recognized state medical society. Physician assistants may receive a maximum of 5.25 hours of *AMA PRA Category 1 Credit™* for completing this program.

To register for classes, visit [promedica.org/cpr](https://promedica.org/cpr).
